RECOMMENDATIONS OF THE COMMITTEE:

Teaching-Learning and Evaluation

- Reviewing the percentage of students admitted compared to the total capacity.
- Evaluating the count of all faculty members currently on roll.
- Assessing the number of students who cleared all subjects without any backlogs.
- · Assessing the number of faculty members with PhD qualifications.
- · Reviewing the compliance with AICTE norms for faculty cadre ratio.
- Assessing the student-faculty ratio as per AICTE standards.
- · Evaluating the quality of internal examination question papers.
- Assessing the quality of assignments given to students.
- Reviewing the compliance with AICTE norms for faculty cadre ratio.

Research Innovations

- Reviewing the funds received from government and non-government external agencies.
- Assessing the number of papers published in conference proceedings.
- Evaluating the guidance provided by faculty members and the completion of PhD programs.
- Reviewing faculty participation in Faculty Development Programs (FDP).
- Evaluating the number and quality of industrial visits organized.
- Reviewing the frequency and impact of guest lectures delivered by industry professionals.
- Assessing the organization and effectiveness of Intellectual Property Rights (IPR) workshops and other industry innovation initiatives.
- Evaluating the number of Memorandums of Understanding (MOUs) signed and their activeness.
- Reviewing the technical events organized under the auspices of professional societies.

Affiliated to Annamalai University, Chidambaram || An ISO 9001:2015 Certified Institution Recognized under section 2(f) of the UGC Act, 1956

Infrastructure and Learning Resources

- Reviewing the number of classrooms equipped with Information and Communication Technology (ICT) facilities.
- Assessing the quality and adequacy of laboratory facilities available.
- Evaluating the number and variety of books available in the department library.
- Assessing the quality of computing facilities and the total number of computers available.
- Reviewing the facilities and resources available at the common computer centre.
- Evaluating the availability, speed, and reliability of internet and Wi-Fi facilities.
- Assessing the quality, capacity, and management of hostel facilities.
- Reviewing the availability and efficiency of transport facilities provided to students and staff.
- Evaluating the availability and quality of drinking water facilities.
- Assessing the effectiveness and coverage of safety and security measures on campus.
- Reviewing the maintenance practices and cleanliness standards of the campus.

Student Support and Progression

- Reviewing the development and impact of innovative projects, products, and applications created by students and faculty.
- Assessing the organization and participation in cultural activities.
- Evaluating the frequency, variety, and impact of sports activities conducted.
- Reviewing the contributions made by alumni towards department development and the organization of alumni meet events.
- Assessing the support and training provided for students preparing for higher studies and competitive exams.
- Evaluating the percentage of students successfully placed through campus recruitment.

Governance, Leadership and Management

 Reviewing the process and adequacy of budget allocation for various departmental needs.

Affiliated to Annamalai University, Chidambaram | An ISO 9001 2015 Certified Institution Recognized under section 2(t) of the UGC Act, 1956.

- Evaluating the effectiveness and efficiency of budget utilization.
- Reviewing the organization and effectiveness of class committee meetings.
- Assessing the frequency, agenda, and outcomes of department meetings.
- Reviewing the number of Faculty Development Programs (FDP) and Short-Term
 Training Programs (STTP) organized.
- Assessing the frequency and effectiveness of training programs organized for technical staff.
- Evaluating the quality initiatives undertaken by the Internal Quality Assurance Cell (IQAC).

Innovations and Best Practices

- Evaluating the innovative uses of technology in administrative processes, academic support services, and student engagement.
- Reviewing initiatives aimed at enhancing digital literacy among students and staff.
- Identifying best practices in student advising, counseling, career services, and academic support.
- Assessing the efforts to enhance student engagement, retention, and success through innovative programs and interventions.
- Evaluating the initiatives to foster environmental awareness and responsibility among students and staff.

ACTION TAKEN:

Action taken by the college on recommendation of the Academic and Administrative Committee:

Teaching-Learning and Evaluation

- Adjusted admission criteria and marketing strategies to match total capacity.
- Addressed faculty shortages through recruitment or workload adjustments.
- Enhanced student support services and reviewed curriculum for improvement.
- Encouraged faculty to pursue PhDs and recruited new PhD-qualified faculty.
- Developed and implemented a plan to meet AICTE norms for faculty numbers.

Affiliated to Annamalal University, Chidambaram [] An ISO 9001:2015 Certified Institution Recognized under section 2(f) of the UGC Act, 1956.

- Established guidelines for designing high-quality exam questions.
- Implemented measures to improve assignment quality and assessment.

Research Innovations

- Reviewed faculty participation in Faculty Development Programs (FDP).
- · Evaluated number and quality of industrial visits organized.
- · Reviewed frequency and impact of guest lectures delivered by industry professionals.
- Evaluated number of Memorandums of Understanding (MOUs) signed and their activeness.

Infrastructure and Learning Resources

- Reviewed classrooms equipped with Information and Communication Technology
 (ICT) facilities.
- Assessed quality and adequacy of laboratory facilities.
- Evaluated number and variety of books available in department library.
- Assessed quality of computing facilities and total number of computers available.
- Reviewed facilities and resources available at common computer centre.
- Assessed quality, capacity, and management of hostel facilities.
- Reviewed availability and efficiency of transport facilities provided to students and staff.
- Evaluated availability and quality of drinking water facilities.
- Assessed effectiveness and coverage of safety and security measures on campus.
- Reviewed maintenance practices and cleanliness standards of the campus.

Student Support and Progression

- Reviewed development and impact of innovative projects, products, and applications created by students and faculty.
- Evaluated frequency, variety, and impact of sports activities conducted.
- Reviewed contributions made by alumni towards department development and organization of alumni meet events.

SCIENCE COLLING TO THE PARTY OF THE PARTY OF

Affiliated to Afinamalai University, Childambaram || An ISO 9001-2015 Certified Institution Recognized under section 2(f) of the UGC Act. 1956

- Assessed support and training provided for students preparing for higher studies and competitive exams.
- Evaluated percentage of students successfully placed through campus recruitment.

Governance, Leadership and Management

- Reviewed budget allocation process and adequacy for various departmental needs.
- Evaluated effectiveness and efficiency of budget utilization.
- Reviewed organization and effectiveness of class committee meetings.
- Assessed frequency, agenda, and outcomes of department meetings.
- Reviewed number of Faculty Development Programs (FDP)
- Assessed frequency and effectiveness of training programs organized for technical staff.
- Evaluated quality initiatives undertaken by the Internal Quality Assurance Cell (IQAC).

Innovations and Best Practices

- Evaluated innovative uses of technology in administrative processes, academic support services, and student engagement.
- Reviewed initiatives aimed at enhancing digital literacy among students and staff.
- Identified best practices in student advising, counselling, career services, and academic support.
- Assessed efforts to enhance student engagement, retention, and success through innovative programs and interventions.
- Evaluated initiatives to foster environmental awareness and responsibility among students and staff

RECOMMENDATIONS OF THE COMMITTEE:

Teaching-Learning and Evaluation

- Checking the availability and utilization of laboratory and research facilities.
- Measuring student satisfaction through surveys and feedback.
- Examining the support services available to students, such as counseling and career guidance.
- Analyzing the success rate of students in national and international competitions.
- Reviewing the institution's efforts towards inclusivity and accessibility for all students.

Research Innovations

- Identifying the number of patents filed and granted to faculty and students.
- Reviewing the frequency and quality of research seminars and workshops conducted.
- Monitoring the mentorship and support provided to students for research projects.
- Analyzing the participation in national research conferences.
- Reviewing the establishment and effectiveness of research laboratories.

Infrastructure and Learning Resources

- Inspecting the quality and sufficiency of laboratory facilities available.
- Counting and categorizing the variety of books in the departmental library.
- Examining the quality of computing facilities and the total number of available computers.
- Checking the availability, speed, and reliability of internet and Wi-Fi services.
- Reviewing the quality, capacity, and management of hostel accommodations.
- Assessing the availability and efficiency of transport services provided to students and staff.
- Verifying the availability and quality of drinking water facilities.
- Monitoring the effectiveness and coverage of campus safety and security measures.

Affiliated to Annamalai University, Chidambaram II An ISO 9001 2015 Certified Institution
Recognized under section 2if: of the UGC Act, 1956

Student Support and Progression

- Analyzing the creation and influence of innovative projects, products, and applications developed by students and faculty.
- Examining the organization and participation in cultural activities.
- · Measuring the frequency, diversity, and impact of sports activities conducted.
- Reviewing the support and training offered to students preparing for higher studies and competitive exams.
- Calculating the percentage of students successfully placed through campus recruitment.

Governance, Leadership and Management

- Examining the process and adequacy of budget allocation for various departmental needs.
- Assessing the efficiency and effectiveness of budget utilization.
- Reviewing the structure and efficacy of class committee meetings.
- · Evaluating the frequency, agenda, and outcomes of departmental meetings.
- Examining the frequency and effectiveness of training programs provided for technical staff.
- Evaluating the quality improvement initiatives undertaken by the Internal Quality Assurance Cell (IQAC).

Innovations and Best Practices

- Assessing the creative applications of technology in administrative processes, academic support services, and student engagement.
- Reviewing programs aimed at improving digital literacy among students and staff.
- Identifying exemplary practices in student advising, counseling, career services, and academic support.
- Evaluating initiatives to enhance student engagement, retention, and success through innovative programs and interventions.
- Assessing efforts to promote environmental awareness and responsibility among students and staff.
